February 2, 2009—Slidell, LA—84 Lumber National Sales has completed the supply of Phase I of multi-family project in Slidell, LA. The phase consists of 120 units, and one clubhouse. The four buildings are built atop an elevated piling system, with cement block lining the outside perimeter.

84 Lumber National Sales supplied rough lumber, roof and floor trusses, and cement siding for the project. Phase II is set to begin later this year, and 84 Lumber National Sales will be bidding this job turn-key.

###

84 National Sales is dedicated to serving multi-state, commercial builders in a variety of projects, including multi-family, assisted living, and hotel/motel. The division of 84 Lumber Company was created in 1995 as a new and innovative way to serve the growing needs of large, commercial builders who had

projects running simultaneously in multiple states. Call us today at (724) 229-2840 to quote your current or upcoming projects.
